

Here is a final summary of your new Vespoli boat!

1x Matrix

Would you like to add the **Platinum Care Program** to your Matrix boat? **Yes (\$500)**

Why not let Vespoli take the hassle out of maintaining your Matrix single, double or pair? Your boat will be worked on by the same talented, factory trained craftspeople who built it originally, using our OEM parts and materials. **NOBODY** knows your boat better than we do! Vespoli will arrange pick up at the end of the season, return it to our factory in New Haven, CT where it will be thoroughly inspected, touched up, adjusted, cleaned, buffed and then returned to you looking and rowing like new; and in time for the spring season!
